'Provisions regarding the re-use of resources attributable to the support of the ESI Funds until the end of the eligibility period in compliance with Article 44 of Regulation (EU) No 1303/2013 and, where applicable, provisions regarding differentiated treatment as referred to in Article 43a.');

2. In Annex V, the terms and conditions for the Co-Investment Facility are amended as follows:

(a) in the section 'Fund Contribution to financial instrument: amount and rate (product details)', the fourth paragraph is replaced by the following:

'Differentiated treatment of investors operating under the market economy principle, aimed solely at asymmetric profit-sharing, shall be set in line with Article 43a of Regulation (EU) No 1303/2013 and Article 21(13)(b) of Regulation (EU) No 651/2014.');

(b) in the section 'Eligible Financial Intermediary and Co-investors', the third paragraph is replaced by the following:

'The managing authority and fund of funds shall comply with Union law when selecting financial intermediaries. The selection of financial intermediaries shall be open, transparent, proportionate and non-discriminatory, avoiding conflict of interests. The selection of the financial intermediaries shall establish appropriate risk-sharing arrangements in the case of differentiated treatment and determine possible carried interest.');

3. In Annex VI, the terms and conditions for the Urban Development Fund are amended as follows:

(a) in the section 'State aid implication', the fifth paragraph is replaced by the following:

'Differentiated treatment (asymmetric conditions on risk-sharing arrangements) for the fund of funds, financial intermediary contribution and co-investors contributions at fund level and project level in form of loans, if any, shall be set in accordance with Article 43a of Regulation (EU) No 1303/2013, points (b) and (c) of Article 16(8) of Regulation (EU) No 651/2014, as further specified under the pricing policy.');

Such arrangements shall be in line with Article 16(8)(b) and (c) of Regulation (EU) No 651/2014 and included in the co-investment agreement between the parties. Such arrangements do not apply to the 1 % invested by the financial intermediary from its own resources as required here above for the purpose of alignment of interest.');
